Recording Studio

8

- Think you're a good rapper?
- Handy with lyrics?
- Good voice?
- Play a musical instrument?
- Like mixing tracks?
- Fancy cutting your own disc?

Beauchamp has its own state of the art recording studio that is available at lunchtimes and after school so, if you're interested, come and have a go!

Student Voice

5

- Do you have an opinion on student issues?
- Want to make a difference?

Student voice is a way for students to communicate what they would like to see at the college to ultimately create and expand the mutual respect between staff and students. Take part in learning walks and make recommendations for change to the college.

Student Research

10

Interested in research? Want to improve any features of college life? We could have the answer for you. Become a student researcher and enjoy...

- links with Warwick University
- regular meetings with your own research mentor
- reporting back to the college principal and the leadership team

Your voice will be heard and listened to.

Volunteering

3

Fancy giving something back to the community or perhaps your primary school? Read on!

Students at Beauchamp have excelled in the volunteering they have offered to individuals and groups in the local community and primary schools:

- Right to Read
- Number Partners
- Mentoring
- PE in the primaries

Anti-bullying Text line

3

Students who have concerns about bullying (on their own or someone else's behalf) can text anonymously. We can text back with advice or help.

Study support and extra curricular activities

3

A significant strength of the college is the out of hours activity we provide for students. All faculties and departments offer a range of initiatives which can include recreation, study support and revision activities. These activities operate at a variety of times including before school, lunch times, after school, evenings and Saturday mornings.

International schools

4

Student learning at Beauchamp is on a global basis. There are numerous opportunities for students including:

- Overseas school visits, including partner schools
- International and Global Educational weeks
- Presenting in assemblies at Gartree/Brocks Hill

De Stress Time

4

Feeling stressed by exams, coursework or just general life? Then sign up for a de stress session in the Training Centre. Learn how to relax and control your nerves so that you can think clearly and feel calmer about things.

Subject Specific Mentoring

4

Mentoring is available in all faculties for students who are experiencing some difficulties in either the completion of coursework or class work.

This could be due to illness, holidays or exam pressure. Mentors provide students with expert support in a more relaxed atmosphere.

If you feel you need help then ask your class teacher to refer you to the appropriate mentor.
