Value Added is anticipated to be 0.11, with the lower confidence limit being above zero, therefore ensuring this measure is considered sig+.

Our results are not only above national average, but also above those of all Leicestershire sixth form providers. This places us at the top of the table for the county. We are enormously proud of the time, effort and support provided by our staff. Our success is due to the hard work and dedication of our students and their parents/carers, working in partnership with us. Well done to our year 13 leavers of 2018, we are really proud of you.
